Luxembourg, 14 September 2020 (07:00 CET) - Aperam announces a change in the organization of the Leadership Team, effective from September 14th. Ines Kolmsee, current CEO of the segment Services & Solutions has decided to leave the Company to pursue other career opportunities. Nicolas Changeur is nominated as CEO of the segment Services & Solutions. Nicolas Changeur is a member of the Leadership Team, and Chief Marketing Officer for the Group since November 2014.

Timoteo Di Maulo, CEO of Aperam, commented: "I would like to thank Ines for her valuable contribution to Aperam, in particular during this very challenging period, and wish her all the best in her next professional endeavours."

About Aperam

Aperam is a global player in stainless, electrical and specialty steel, with customers in over 40 countries. The business is organised in three primary operating segments: Stainless & Electrical Steel, Services & Solutions and Alloys & Specialties.

Aperam has a flat Stainless and Electrical steel capacity of 2.5 million tonnes in Brazil and Europe and is a leader in high value specialty products. In addition to its industrial network, spread over six production facilities in Brazil, Belgium and France, Aperam has a highly integrated distribution, processing and services network and a unique capability to produce stainless and special steels from low cost biomass (charcoal made from its own FSC-certified forestry).

In 2019, Aperam had sales of EUR 4,240 million and steel shipments of 1.79 million tonnes with an average carbon footprint of 0.48 tons of CO₂e¹ per ton of slabs, making it the world's lowest CO₂ footprint stainless steel producer.
