About Aperam

Aperam is a global player in stainless, electrical and specialty steel, with customers in over 40 countries. The business is organised in three primary operating segments: Stainless & Electrical Steel, Services & Solutions and Alloys & Specialties.

Aperam has a flat Stainless and Electrical steel capacity of 2.5 million tonnes in Brazil and Europe and is a leader in high value specialty products. In addition to its industrial network, spread over six production facilities in Brazil, Belgium and France, Aperam has a highly integrated distribution, processing and services network and a unique capability to produce stainless and special steels from low cost biomass (charcoal made from its own FSC-certified forestry).

In 2019, Aperam had sales of EUR 4,240 million and steel shipments of 1.79 million tonnes with an average carbon footprint of 0.48 tons of CO₂e¹ per ton of slabs, making it the world's lowest CO₂ footprint stainless steel producer.
