

## Aperam Stainless Services & Solutions Italy

From our integrated service centres in Massalengo and Podenzano, Aperam Stainless Services & Solutions Italy offers a variety of stainless steel solutions.

We specialize in the production of flat products, including coils, cut-to-length strips, blanks and sheets up to two meters wide. Our products are available in a wide range of surface finishes, including Scotch-Brite, Polished and Duplex.

Thanks to our diverse product range, two service centres and efficient sales network - all of which is backed by our qualified technical assistance team - Aperam Stainless Services & Solutions Italy serves many different sectors and offers high-performance, environmentally friendly and innovative solutions based on market needs.
